Doug-could have not only that our labors are appressibly that the country, but that les, in his letter of acceptance culogies the ciated by the friends of the country, but that four days provised on his back. The compromises of 1850, while Johnson, his Vice, the hearts of myriads are on live in the cause the hearts of myriads are on lire in the cause of the comparison on the other hand, speaks of these compromises as "a hare surrender."

R. R. Bolling a Cashillate.—We find the following in the Louisville Democrat of yesterday. We have no doubt at all that the Yancey-Breekinridge Convention at Frankfort, in refusing to nominate Mr. Bolling for the surrender in the first we are gathering in tuberois. The truth is we are gathering in tuberois.

Yancer-Breckinridge Convention at Frankfort, in refusing to nominate Mr. Bolling for the Clerkship, failed to express the will of a large najority of the Kentucky Democracy. However, they can express in themselves if they like:

TO THE DEMOCRATIC VOTERS OF THE STATE like:

To the Democratic vortices of the State of Kinticky.

It is well known that a call was made for a Democratic tonvention to nominate a candidate for the colice of Clark of the Court of Appeals. It proved to be only a faction of the party, as appears by its proceeding. I had been a candidate previous in the meeting of the Convention.

In the state of the convention of the party, as appears by its proceeding. I had been a candidate previous in the meeting of the Convention to have the Louisville Journal diffused in every and the whole the representation of the party when the lawscanded to the office of Clark of the Court of Appeals out to be only a faction of the party as appears by its proceedings. I had been a candidate previous in the meeting of the Convention virtually disinferited on the lawscanded to the office of the court of Appeals of the Convention was been the assented feet if was nominated. It had been a candidate out to be only a faction of the party as a pointed to the office of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the meeting of the Convention was the marked on the fact that at a long the to the fact that at a long themselves because at the state on the fact that at a long themselves to the fact that at a long themselves themselves themselves themselves that the state of the fact that at a long themselves themselves that the state of the fact that at a long themselves themselves themselves themselves thems

have been recently much amused at a little pleasantly reported to have occurred between Vice President Breckinridge and Gen. Combs. Manual por Breckinridge and Gen. Combs. Manual por Breckinridge said to Gen. Combs. General, you are the most unfortunate person I have ever known. You have done more for your party than any man living and have got kss for it." "Ah," replied the General, "that is true, Major, and you are the luckiest man I have ever known, for you have done work for good and the go have ever known, for you have done has for as he was, he was soon destined to perform you to possess have ever known, for you have done tess for as ne was, However much of truth there may be in the the successful effort to discover and report to jest when applied to Major Breckenridge, it is mountfully true in its application to General Combs, for no man has ever received less at the hand, of his counterweap then he and for the hands of his countrymen than he, and few known as Dulley's Defeat, when captain of epicnous living men have rendered as much unrewarded the spies, it was his province to bring on the
